Esther: A Woman of Strength and Dignity

A beautiful woman . . . murder plots . . . an arrogant killer. What more could you ask for in a good book? Chuck Swindoll's series on the thrilling book of Esther will reveal how God's power and sovereign control can work behind the scenes for our good and His glory. With a thought-provoking study of God's invisible hand writing silently across the pages of human history, Esther's story will have you sitting on the edge of your seat! We'll be listening to the audio at each Bible Study which you may access at: <http://www.insight.org/broadcast/library.html> in the 2005 library. You may also purchase the book at: <http://www.insight.org>.

Our first evening is Sept 19 God's where we'll learn about "God's invisible providence."
